Terrell Carver is Professor of Political Theory at the University of Bristol, UK. He has published widely on Marx and Engels, including translations, editions and commentary; also on sex, gender, sexuality and masculinity in *International Relations*; and on post-structuralist methodology and visual analysis. His most recent books include *Marx and Engels Before Marx*.

The Franke Lectures are made possible by the generosity of Richard and Barbara Franke, and are intended to present important topics in the Humanities to a wide and general audience.
