and writer and producer **Andrew Solomon '85**

Based on *The New York Times* bestseller by Andrew Solomon '85, *Far From the Tree* is an intimate, profoundly human look at families raising children society deems “abnormal.” Tracing their joys, challenges, tragedies, and triumphs, *Far From the Tree* invites viewers to rethink what it means to be a “normal family.”

Special thanks to the Faculty of Arts & Sciences Dean's Office, Yale Department of Psychiatry, The Connecticut Mental Health Center Foundation, The Franke Program in Science and the Humanities, and Yale Program for Humanities in Medicine.
